7 December 2021

Dear Mr Willcox

I am writing to thank you and your team for the prompt and efficient service you provided for the removal, cleaning and engraving of our Cornish granite plaque in preparation for the Rededication of our Seend War Memorial in its 100th Anniversary in the presence of Her Royal Highness The Duchess of Cornwall on 2 December.

For security purposes we were unable to give instructions at an earlier date and your swift attention to our request was very much appreciated. Please pass my grateful thanks to all involved.

Yours sincerely

Robin D Heatley
Chairman
